

Tradewinds Pricing

Effective June 15, 2025

Knexus' GenAI Ignite solution is designated as 'Awardable' in the CDAO Tradewinds Solutions Marketplace (<https://www.tradewindai.com/>). Tradewinds was organized by the Chief Digital and AI Office (CDAO) for the DoW and was purpose-built to address the specific challenge of rapid innovation within federal agencies. The CDAO is responsible for accelerating adoption of data, analytics, and artificial intelligence (AI).
